

# Extra bus services and simpler routes for the Macedon Ranges

October 2018

**We're splitting the current Lancefield to Kyneton via Sunbury bus service into three distinct routes and adding extra trips to give you a bus network that's easier to understand and use.**

*Read about the proposed changes below.*

## Route and destinations

We're proposing to introduce three distinct routes to simplify the Macedon Ranges bus network and improve your travel experience. The three routes will be:

**Romsey to Kyneton**

**Lancefield to Sunbury**

**Lancefield to Gisborne**

*Please see map on reverse.*

## More weekday services for Romsey to Kyneton

We're introducing extra services on the Romsey to Kyneton route to provide you with a more consistent weekday timetable. The new timetable will provide you with two return services per day, Monday to Saturday. The service will operate Romsey to Kyneton via Lancefield and Newham.

## More weekday services for Lancefield to Gisborne

We're introducing extra services on the Lancefield to Gisborne route to provide you with a more consistent weekday timetable and more travel options. The new timetable will provide you with two return services per day, Monday to Saturday.

## More weekday services for Lancefield to Sunbury

We're introducing extra return services for the Lancefield to Sunbury bus to improve connections with trains and give you more travel options. Your new timetable will provide twelve return trips per day Monday to Friday, and three return trips on Saturdays.
